Invite family, friends and co-workers to join you for breakfast, lunch and dinner. On **Thursday, February 26, 2009**, many of the Los Angeles area's most popular restaurants will donate at least 15% of their day's receipts to Aid For AIDS (AFA). For 25 years, AFA has been working to prevent homelessness and hunger for individuals and families impoverished by HIV/AIDS. There's no easier way to support those in our community who are disabled by HIV/AIDS. We all have to eat, right? One day, one meal (or more). **With your support, we can give "generous helping" a whole new meaning.**
